

Springferm Xtrem

Other Names

Organic fermentation nutrient

Description

Springferm® Xtrem is a 100% organic fermentation activator based on fully autolyzed yeasts, and nine (9) times richer in available nitrogen than basic inactivated yeast. It is adapted to must coming from over ripe grapes that are often poor in nitrogen (13.5%) which represents a favorable environment for stuck or sluggish fermentations.

Properties

- All vitamins minerals and proteins are derived from yeast.
- Pure yeast in dry powder form with no additives.

Directions for use

Suspend dose in 5 parts of water and add to the must, 20g/hl of Springferm Xtrem supplies 18 ppm available organic nitrogen.

Hazard Warning

Powder can cause a light irritation of mucous membranes, skin and eyes.

Dosage

1.5-2 lbs/1000 gallons

Packaging

1 kg Packet
