

CLEANERS

CaustiClean Oxy

Application

CaustiClean Oxy is a free-flowing dry alkaline CIP cleaner for use in wine, food, and beverage production facilities.

Description

CaustiClean Oxy is made of a special blend of potassium carbonate, TKPP, and strong detergents for optimal cleaning in all water conditions.

Properties

Color: White

Scent: Slight odor

pH of a 1% solution: 10–12

Foam level: Low foaming

Directions

Recommended Use Level: 0.25-6.0 oz./gal.

Dilute with water to the desired concentration. Avoid spattering by adding to water slowly. Rinse with potable water after use.

Storage

Store in a cool, dry, well-ventilated place away from incompatible materials.

Packaging

50 lbs.

Please refer to the SDS for safe handling requirements.
