

**CLEANERS****CaustiClean TR****Application**

**CaustiClean TR** is a low-foam powdered sodium hydroxide and sodium percarbonate dry cleaner for interior tank cleaning and CIP applications.

**Description**

**CaustiClean TR** is a low-foam free-flowing powdered caustic blend that offers more effective cleaning results than plain dry caustic and includes a non-chlorine bleach ingredient for excellent stain removal. It is fast-rinsing, saving water and time.

**Properties**

**Appearance:** White to off-white powder

**Scent:** Slight odor

**pH:** 11–14

**Directions**

Recommended dosage is 1 lbs per 10 gallons of water. Please consult your ATPGroup Cleaning & Sanitation Specialist for advice on your particular application.

**Storage**

Store in a cool, dry, well-ventilated place away from incompatible materials.

**Packaging**

50 lbs and 350 lbs

Please refer to the SDS for safe handling requirements.
