

THE PENTAIR GEHALTEBUS IS ROLLING INTO CHICAGO!

Join the Siebel Institute of Technology, Pentair Haffmans, and ATPGroup for a day of brewing education, hands-on analysis, and great networking.

- ☛ Bring a beer or two and get a FREE CO₂/O₂ check on Pentair's state-of-the-art equipment.
- ☛ Learn more about the Siebel Institute of Technology, see Pentair's brewing equipment in action, and talk shop with ATPGroup.
- ☛ Network with fellow brewers over Giordano's pizza (11:00–2:00) and a pint in the historic Siebel Rathskeller.
